The **Kentucky Veterans Hall of Fame** organization held a press conference in Frankfort yesterday announcing that the **next induction ceremony** will be held at the Frankfort Convention Center on September 26-27, 2015. Nomination forms are located on their web site at [www.kyveterans.org](http://www.kyveterans.org). Executive Director H.B. Deatherage stated that he or one of the Board members is willing to travel and discuss the program at civic clubs, veteran post, etc. when invited. He can be contacted through the web site. **He is also looking for individuals in our major cities who will volunteer to be a contact and assist in getting the word out about the program.** This is an important recognition for veterans who have accomplished a lot in endeavors outside their role in the military. Look for the best and submit a nomination.

Please check with the appropriate person within your organization and ensure that they are sending in the appropriate amount promptly.
